ABOUT

Fuzzy Prophet is a harmony-driven rock band from Richmond, Virginia, formed in 2022 by veterans of the local music scene. Dual vocal harmonies cut through fuzzed-out guitars and define songs that blend psych-tinged power pop, post-punk edge, folk textures, and 60s garage influences. With three LPs—*Viral Pop Implosions*, *Evil Somewhere in the Woods*, and the acoustic-leaning *Mirror Myths and Bad Dreams* (2026)—plus a newly released garage-inflected EP, Fuzzy Prophet continues to evolve while delivering high-energy, melody-forward live shows.
